### About This Game

**Drift19 is the first and only serious drifting simulator.**

If you love cars, noise of the engine and drifting as much as we do, there is no doubt this game is for you. Rebuild your car, train your skills and take part in the world championships to beat other drivers!

**REBUILD ICONIC CARS**

Inspired with the history of drift, we are going to include the most iconic vehicles in the game. You'll be able to buy old drift classic cars, fix and change different parts, tune them, so you will become an owner of the real four-wheel beast.

**TRAIN ON YOUR OWN TRACK**

Before participating in different championships, you'll have a chance to train your skills and technique on the training track located next to your garage.

---

## **TAKE PART IN PROFESSIONAL *DRIFT EVENTS***

The world of drift has many fantastic events and competitions. Feel the unique vibe of professional tracks, drift squads, burning tires and dust by taking part in international championships.

## **DRIVE USING YOUR *STEERING WHEEL***

The game is going to support all the most popular steering wheels, making your driving even more immersive experience.
